### Predicts Comet May Suffer From Contact With Earth

## A CHANGING WORLD

"We are living in a changing world," I never thought I could ever be carried off by a monkey. Fowler, a high school teacher, is helping me. But thank God we are progressing and now Mrs. W. Fowler, formerly Mrs. W. W. Fowler, has delivered me from all monkey troubles. I am now able to eat anything. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allows the digestion which causes practically all monkey troubles, including appendicitis. One does not consume or money refunded. Quaker Drug Company and all druggists sell this.
